EBT at Farmers’ Markets on Kauai
E.B.T. = Eat Better Today

- Bev Brody
- Pacific Global Health Conference
- October 9, 2012
EBT at Farmers’ Markets Overview

• SNAP recipients can buy locally grown, healthy produce and food items at farmers’ markets.
• Sites include Kapa’a, Koloa, Lihue, and Hanapepe Sunshine Markets, KCC Farmers’ Market, Kukui Grove Monday Market, and Kapaa Restore Market.
• 2 for 1 incentive program currently being offered at all markets.
How Did It Start?

- Kauai Independent Food Bank received USDA grant of $53,500 to implement EBT at farmers markets.

- CPPW obesity prevention funds awarded to Kauai.

- Partnership formed between GFK, Kauai Independent Food Bank, Office of Economic Development and Kauai Community College.

- GFK Access to Healthy Foods Task Force became forum for planning, resource sharing, and implementation strategies.
How Does It Work?

1. SNAP consumer presents EBT card to EBT Market Manager.
How Does It Work?

2. EBT card is swiped through wireless point of service machine.
How Does It Work?

3. Wooden tokens are given to SNAP consumer for transaction amount.
How Does It Work?

4. Tokens used at certified EBT Vendor booths.
How Does It Work?

5. At the end of the market, vendors redeem tokens with EBT Market Manager.
How Does It Work?

6. SNAP consumers can use tokens at any market throughout the week, and can buy tokens at KIFB.

Top 10 List: Tips on starting EBT at your Farmers’ Market

1. Begin USDA EBT vendor application early and expect a 3 - 6 month wait.

2. Be aware of “ownership” issue in USDA application.

3. Establish early connections with stakeholders, farmers market manager, farmers and vendors.

4. Assess farmers market’s capacity to operate and commit to EBT program.
Top 10 List: Tips on starting EBT at your Farmers Market

5. Research the demographics of the farmers market and SNAP population in that area.

6. Develop partnerships and seek out resource sharing opportunities.

7. Include funds for incentive program, staffing, marketing, and transaction fees in program budget.
Top 10 List: Tips on starting EBT at your Farmers Market

8. Create a strong sustainability, marketing, and evaluation plan.
Top 10 List: Tips on starting EBT at your Farmers Market

9. Allow ample time for vendor recruitment, education, and certification process.

10. Evaluate vendor and customer satisfaction.
A quick look at Kauai’s EBT program
Looking Ahead

- Expansion of EBT to more sites.
- Continue to explore sustainability options.
- Promote, promote, promote to SNAP consumers and the community.
